

Put these together
to form a class or
interface, e.g. →

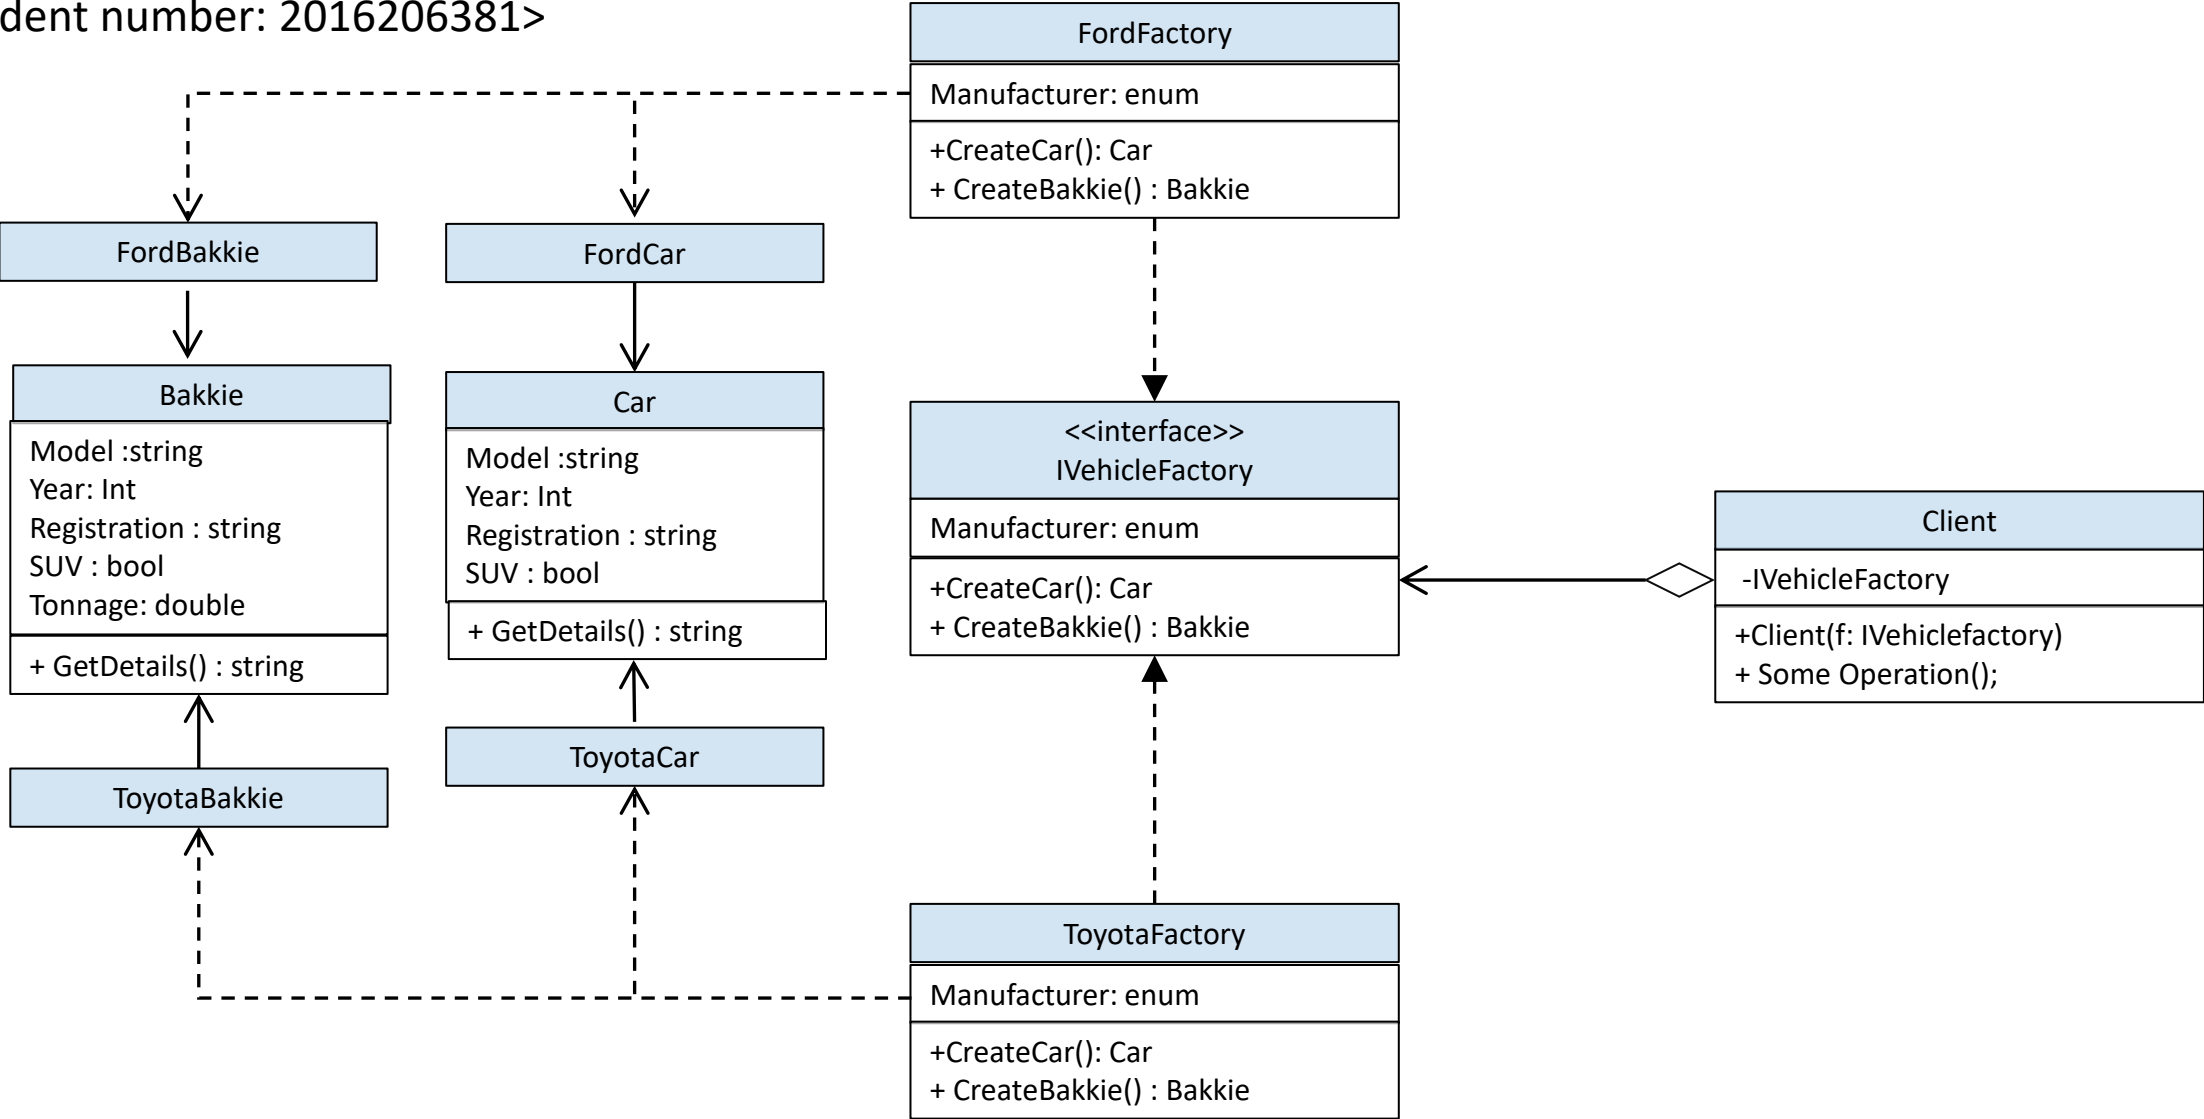

Hints:

- Once a class is done, select the three parts (hold down Ctrl) and then right-click: *Group*
- Right-click on a connector and select *Connector types* to toggle *Straight / Elbow*. (We prefer *Elbow*.)
- Do not edit this page. Press Ctrl-M to add a new page, then copy paste objects from here.
- Save the file as <Surname_StudentNumber>, e.g. *Blignaut_197903413.pptx*.

NB: Do not edit this page.

<Name and surname: Teboho Motsamai>

<Student number: 2016206381>
